## How do I end the year and go on to the next year.

Posted by Anne Osborne - 2008/07/02 18:24

---

I have had very limited training on cash manager. I would like to delete the current year however would I like to still use the chart of accounts for that year and then start a new company...how do I do that.....I am stuck for information and training...

Hi Anne

There's a 'End of Year' option on the File menu.

Accomplish sent out a newsletter in March explaining the year end.

Richard
